Hi Erin,

I just spoke with Jennifer, and she confirmed that the only Apps in the B–G sequence that changed recently were D (reposted 1/6) and F (reposted 3/2), all of which are available on the public facing website. If you have any additional questions, please let me know.

Thanks,

Hi Ryan,

I see them now on the public website. I thought they would be with Ch 5 b/c some appendices are listed there but they are down more toward the bottom of the page. Sorry to bother you about this. If you could check with Dave and Jennifer to make sure these are the right things for us to be reviewing I would really appreciate it.

Thanks,

ERin

Hi Erin,

I believe the versions of Appendix 5B and 5G that are currently on the public website (posted in December) are what they are referring to. We did not repost either of those in our February postings, so those would still be considered the latest and greatest, but I will confirm with Dave and Jennifer and get back to you.

Thanks,

Hi Ryan,

I'm looking for appendices to Chapter 5 of the BDCP. Dave and Jennifer let us know that a number of these appendices were ready for us to review to see if our comments had been addressed. The zipped file you sent last week does not include Chapter 5 appendices. Appendices 5F, H-K are available on the public website but we need to look at appendices B - G. Are these available yet? Could you help us locate them?

Thanks for your help,

Erin
